

Fastest time to make and display 10 cakes in *Minecraft* Survival mode (PC)
Stampy Cat (aka Joseph Garrett)

Most skips by a dog in one minute
Geronimo

READ BIG. DREAM BIG.

Fastest speed in a jet-powered go-kart
Tom Bagnall

Most consecutive back handsprings (one hand)
Zama Mofokeng

COMPETITION ENTRY FORM

DEAR PARENT/GUARDIAN,

At school, your child has taken part in an inspirational literacy programme, created by Guinness World Records, to develop pupils' ability to read for inspiration and then write to inspire. In class, teachers have been encouraging pupils to "Read Big" by exploring the inspirational stories of the record-breaking humans and animals featured in the *Guinness World Records 2019, Wild Things* and *Gamer's Edition 2019* books.

We now want children to share what they have discovered with as many other children as possible! We want them to inspire their whole school to "Read Big and Dream Big" too, just like a **GUINNESS WORLD RECORDS®** title holder with our exciting competition!

To enter our competition, all they need to do is complete this leaflet and send it back to us by **Friday 23rd November** to be in with a chance of winning some great prizes!

COMPETITION PRIZES

- Winning Pupil: A tablet and GWR goodie bag including a funky bag, colouring pencil set, Big Dreams notepad, portable charger and a pop socket.
- Copies of three Guinness World Records books and a goodie bag for everyone in their class

THE PUPIL CHALLENGE

Share all the inspirational stories discovered in the Guinness World Records books with other children in school! To remind other pupils to "Read Big. Dream Big", we'd like you to design an inspirational poster that is based around one of our amazing record-breakers.

Use this competition entry form to:

1. Design an inspirational poster using the space provided to remind other pupils that they should dare to Dream Big!
2. Create a short piece of descriptive writing, telling us:
 - a. how the Guinness World Records books inspired you
 - b. why you think your poster design will inspire other pupils to "Dream Big".

SUCCESS CRITERIA

- Be creative and original!
- Remember to base your design around a record-breaker or something that you have discovered in a Guinness World Records book, on our website or in a video you have watched in class.
- Choose inspirational words and pictures to make your message as motivational as possible.
- Remember to use the inspirational writing techniques you have learned in your written explanation too!

If you are looking for more inspirational people and animals to help with your entry, you can visit the Guinness World Records website: www.guinnessworldrecords.com

1. USE THE SPACE PROVIDED TO DRAW YOUR INSPIRATIONAL POSTER DESIGN:

TURN OVER TO PROVIDE US WITH YOUR SHORT PIECE OF DESCRIPTIVE WRITING.
