

Is our school **fantastic?**

Garnier are on a mission to change the way the UK recycles plastic.

BY 2050 THERE WILL BE AS MUCH PLASTIC AS FISH IN THE OCEANS - WE NEED TO ACT NOW AND RECYCLE MORE PLASTIC.

Our school should get involved!

Participating schools can win a playground makeover worth £10,000!

You can sign up our school by visiting <https://nationalschoolspartnership.com/initiatives/plasticfantastic>

For full T&C's visit: www.garnier.co.uk/terms

Let's make our school

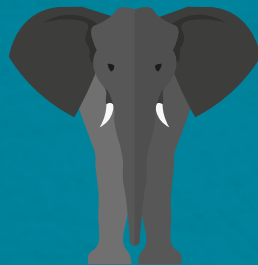

PLASTIC FANTASTIC!

Around **12.7 million tonnes of plastic** end up in our oceans each year. That's equivalent to **121,000 blue whales** or a truck load of rubbish every minute!

Around **30,000 tonnes of recyclable bathroom waste** ends up in landfill every year. That is equivalent to around **5,000 African Elephants** and **18,000 cars!**
