

PLASTIC FANTASTIC!

DESIGNER COMPETITION

Garnier is challenging pupils to design a bathroom recycling hub for their school. The most inspirational design entered into the competition could win an iPad for the school!

HOW TO BE SUCCESSFUL

Your design should have the following:

- A place for pupils to put their hard-to-recycle bathroom plastic waste.
- Information about what they can recycle.
- Inspirational design features – pupils should want to donate their bathroom plastic waste!

HOW TO ENTER

Draw your design in the space below. Label important features and write a short explanation of what inspired your ideas.

Bring this back into school and give to your teacher. They will nominate the most inspirational designs and enter them into our competition.

GOOD LUCK!

Send your completed entries using the free post envelope provided to **We are Futures, Plastic Fantastic, 1 Paris Garden, London, SE1 8ND** or scan and email both sides of the leaflet to **competitions@nationalschoolpartnership.com**
Entries must reach us by **Friday 5th July**.
