

Dear class,

Hello! We are the Summer Explorers, a group of kids who know how to stay cool and safe in the sun whilst having outdoor fun. We need some enthusiastic, brave adventurers to join our team and make an intrepid trip with us... TODAY! We want to enlist <class name> to help with a mighty mission. Can you come with us? The first thing we need you to do is a treasure hunt, to make sure you've got all the right equipment for our quest. Then we will go on an exciting mission together. You see, we want everyone to be able to enjoy the outdoors like we do! We are clued up and know how to cool down and stay sun safe – will you help us?

Hope to see you out there,

The Summer Explorers
