

Story Idea Cards

Noah and his friends want a place where they can hang out after school. His group of friends love skateboarding and learning new tricks.

Mabel has recently moved into a block of flats. She misses the garden she had in her old house, and she'd like a space where she can grow her own vegetables.

Sarah lives in a village in the countryside and would like to meet more people her age. She has friends at school but they all live far away.

Zayn likes to spend his spare time going on hikes and exploring the countryside. He does get a bit lonely though and would like a way to meet new friends.

Amira has a dance company. She'd really like to share their work by performing on a stage, but there's nowhere in her town to do that.

Bertie is a beekeeper and he's worried about the number of bees in his area. He wants to help them to thrive, but he doesn't know how.
