

Solve for Tomorrow Competition 2023/24

An opportunity like no other to explore how tech can take on some of society's biggest issues. No qualifications needed.

Enter your tech-for-good idea for a chance to make it a reality!

Prizes and opportunities

Winners and runners up will be awarded prizes for both the 16-18 and 18-25 age categories. In addition, all shortlisted entries will receive 121 mentoring from Samsung and expert coaching as part of the competition process.

First prize

£10,000 cash prize, 3 months expert mentoring, plus industry connections and networking opportunities!

Second prize

£1,000 cash prize, plus 3 months expert mentoring.

Samsung tech devices will be given to all those who make it to the final.

The competition process

1.
