

The competition

Enter our Water Smart competition for a chance to win some amazing prizes! Your mission is to design a poster that encourages your local community to reduce their water consumption and become Water Smart.

The prizes

You'll receive a Water Smart badge for entering and eight winning schools will receive £500 towards school supplies. The winning school will receive a water saving garden up to the value of £5,000 and the overall winning poster and the winning entry will be displayed locally on digital posters and on the side of a digibus!

How to enter:

- Design your poster on the template provided.
- Fill in your name and school contact details.
- Send it back to us by **20th February 2024!**

The winning poster

What we are looking for:

- We want to see your top water saving tips loud and clear!
- We want to see your creativity shine through in an eye-catching design
- We want to see how persuasive you can be

Duck's Top Tips

- Use a slogan to say why it's important to save water
- Use facts and statistics
- Pick facts and top tips that are easy to remember and easy to do at home.
- Make your poster as eye-catching as you can, with clear drawings and bright colours

You can enter by asking your teacher or parent/guardian to help you fill in the entry form and scan or send your poster to competitions@nationalschoolpartnership.com.

Alternatively, you can send your poster via post to:

We are Futures, Affinity Water Competition, 1 Paris Garden, SE1 8ND, London

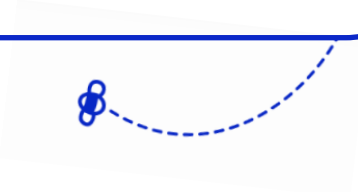

For full terms and conditions please visit:
