

MISSION 4: PRISONER PRIVATE

PHASE 1: PENGUIN PROFILE: PRIVATE

Far younger than the other penguins, Private is constantly trying to prove himself. Smarter and more valuable than his years suggest, Private serves as the classic **underdog**, or, as Skipper describes him, "sort of our secretary / mascot". But what Private lacks in **operational** experience and size, he more than makes up for through **herculean** effort, **dogged** enthusiasm, a cutting intellect and unimaginable cuteness.

MISSION 4

Definitions:

Underdog – someone not expected to win

Herculean – massively strong

Operational – practical, real-life

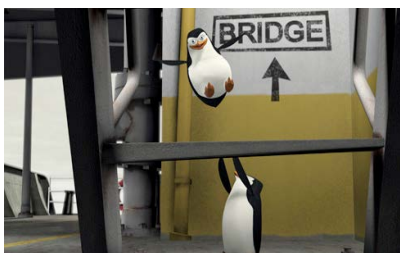

Dogged – doesn't give up

Area of Expertise:

Secretary / Mascot.

Mission:

Convince Skipper to give him more responsibility.

MISSION 4: PRISONER PRIVATE

PHASE 2: USE INTEL BELOW TO LOCATE PRIVATE

USE EACH CLUE TO DRAW UP A SHORTLIST OF POTENTIAL COUNTRIES WHERE PRIVATE COULD BE LOCATED. YOU MAY NEED TO USE SOME REFERENCE BOOKS, ATLASES OR THE INTERNET.

CLUES:

Private thinks that they crossed the border into this country from Austria.

The country's flag contains no blue or green.

Private is near the River Rhine.

Albert Einstein was born in this country.

Private was transported by car on the Autobahn.

AGENT NOTES:

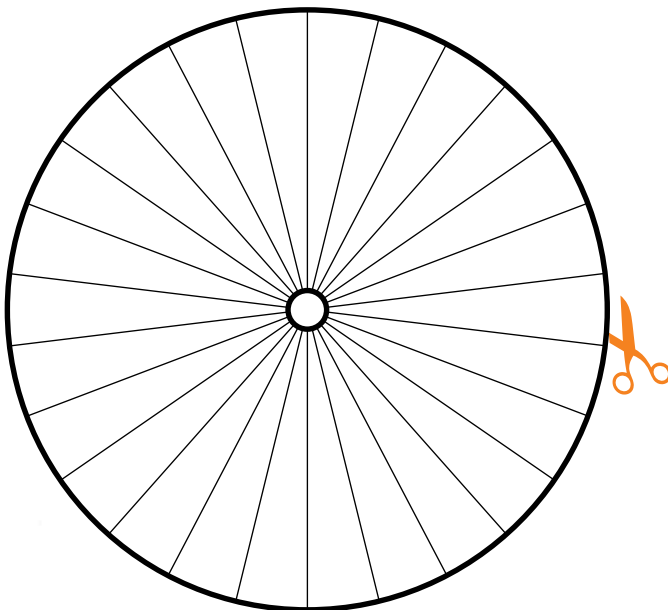

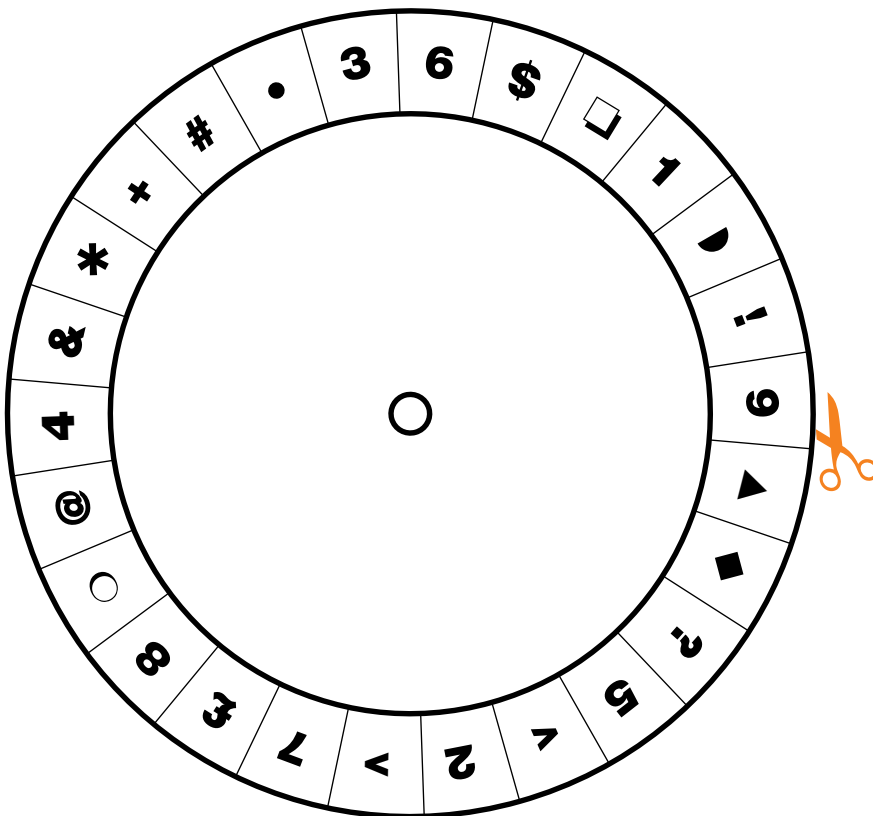

Write down evidence and additional information about the location here.

Private is located in the city of:

MISSION 4: PRISONER PRIVATE

PHASE 3: ASSEMBLE YOUR AGENT CIPHER WHEEL AND USE IT TO ENCRYPT
THE CITY NAME AS A SERIES OF SYMBOLS

1. In the smaller wheel, working clockwise, write the letters of the alphabet in order.

2. Cut out both wheels and secure the smaller on top of the larger using a split-pin, so that it can rotate.

3. Line up the wheels according to the TOP SECRET CIPHER KEY provided by the Chief Agent.

4. Use the cipher wheel to replace each letter in the city name with a coded symbol.

MISSION 4: PRISONER PRIVATE PHASE 3: CONTINUED

City Name:

--	--	--	--	--	--	--	--	--	--	--	--	--

Code Symbol:

--	--	--	--	--	--	--	--	--	--	--	--	--

MISSION 4: PRISONER PRIVATE

PHASE 4: CREATE A PAIR OF COORDINATES TO PLOT ON THE MISSION MAP POSTER

X COORDINATE:

The difference between the smallest number in the code and the largest number in the code.

Y COORDINATE:

One less than the most common number in the code.

MISSION 4 COORDINATE:

[,]

AGENT NOTES:
