

MISSION 3: RECON RICO

PHASE 1: PENGUIN PROFILE: RICO

Part tasmanian devil, part ticking time bomb, Rico provides the team's muscle.

A **demolitions** expert, Rico will literally **devour** anything and everything – mostly for fun, but also so that he can hack up the tools necessary to get the boys out of a jam. Rico is Skipper's most reliable and **unquestioning** soldier - and not just because he can't speak, no no. Rico is fuelled by a deep, **primordial** desire to help the boys succeed, and blow a few things up along the way.

Definitions:

Demolitions – destruction

Unquestioning – accepting something without doubt

Devour – eat up, destroy

Primordial – natural, from inside him

Area of Expertise:

Demolitions.

Secret Weapon:

Mission critical tools.

MISSION 3

MISSION 3: RECON RICO

PHASE 2: USE INTEL BELOW TO LOCATE RICO

USE EACH CLUE TO DRAW UP A SHORTLIST OF POTENTIAL COUNTRIES WHERE RICO COULD BE LOCATED. YOU MAY NEED TO USE SOME REFERENCE BOOKS, ATLASES OR THE INTERNET.

CLUES:

The Amazon River flows through this country.

The national flag doesn't feature any horizontal stripes.

Rico reports the climate to be tropical.

Rico has heard people speaking Portuguese.

Rico is not in the country's largest city.

AGENT NOTES:

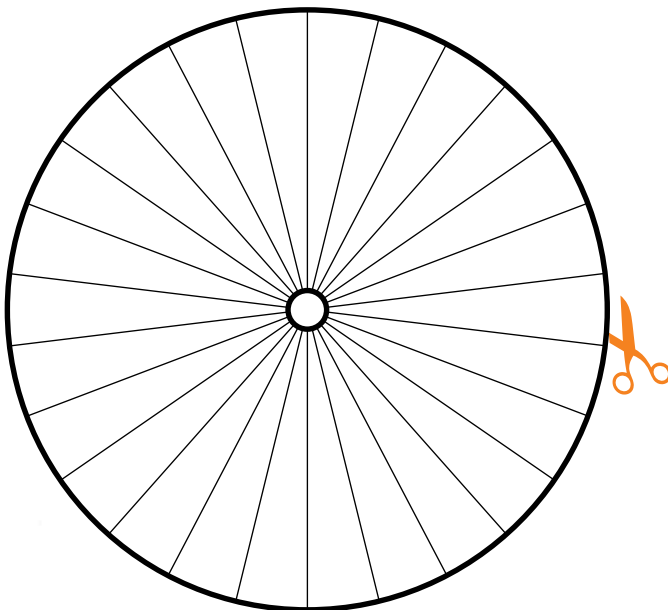

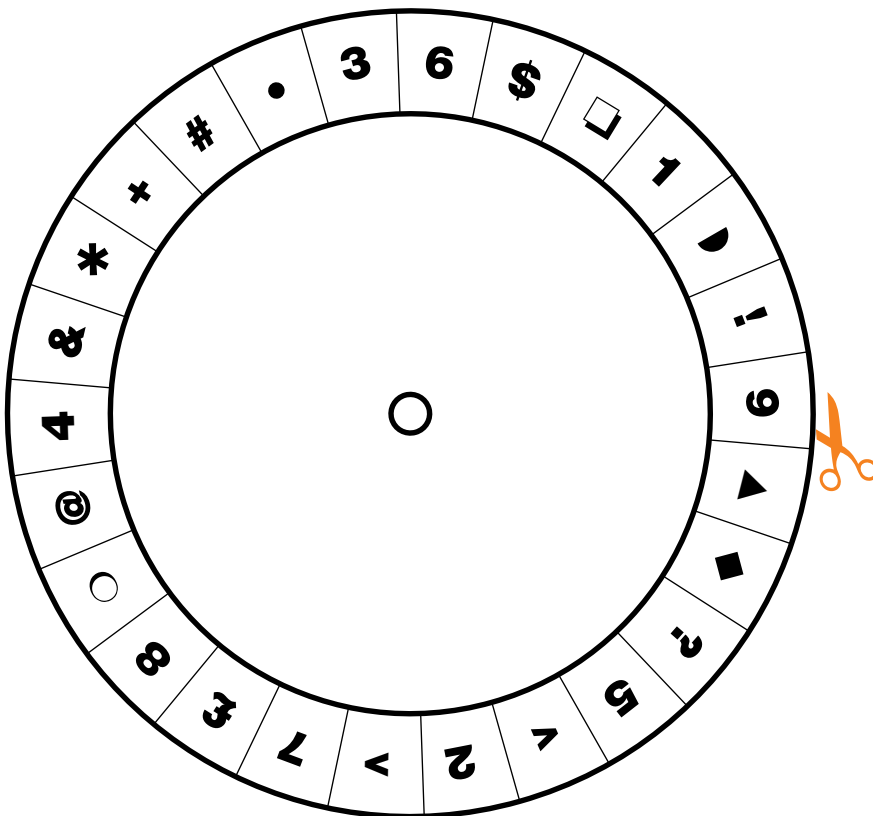

Write down evidence and additional information about the location here.

Rico is located in the city of:

MISSION 3: RECON RICO

PHASE 3: ASSEMBLE YOUR AGENT CIPHER WHEEL AND USE IT TO ENCRYPT
THE CITY NAME AS A SERIES OF SYMBOLS

1. In the smaller wheel, working clockwise, write the letters of the alphabet in order.

2. Cut out both wheels and secure the smaller on top of the larger using a split-pin, so that it can rotate.

3. Line up the wheels according to the TOP SECRET CIPHER KEY provided by the Chief Agent.

4. Use the cipher wheel to replace each letter in the city name with a coded symbol.

MISSION 3: RECON RICO PHASE 3: CONTINUED

City Name:

--	--	--	--	--	--	--	--	--	--	--	--	--

Code Symbol:

--	--	--	--	--	--	--	--	--	--	--	--	--

MISSION 3: RECON RICO

PHASE 4: CREATE A PAIR OF COORDINATES TO PLOT ON THE MISSION MAP POSTER

X COORDINATE:

The number of triangles in the code.

Y COORDINATE:

The square root of the largest number in the code.

MISSION 3 COORDINATE:

[,]

AGENT NOTES:
