

DIVERSITY DREAM TEAM ACTIVITY SHEET

Design your Diversity Dream Team. It could be a sports team, a dance troupe, a superhero squad, or whatever you like! How do their differences make them stronger?

1 What is your team called and what do they do?

2 Draw or describe the members of your team and what makes each person unique.

3 What goal are they working towards together?

4 How do their skills complement each other to make them a dream team?

Extension: how can the team set a positive example by being inclusive? *For example, a dance troupe could provide audio description for people watching who are visually impaired.*
